

A decorative graphic on the left side of the slide. It consists of a blue parallelogram and a light green parallelogram, both tilted at an angle. The blue shape is in the foreground, and the green shape is partially behind it. They are set against a dark blue background with faint, lighter blue diagonal stripes.

Visualizing the hierarchical structure of the data

Visualizing the data

Conclusion

Lumen Vitae is supported nationally through different Church programs and Catholic movement

- Through the map visualization, the fundraiser could able to learn the donation situation and better leverage the fundraising goals;
- Through the circular ring visualization, the organization are able to access the donation distribution and structure and provide more rational donation project to attract potential donors.

Thanks for listening
